### DETAILED ACTION

This action is a response to Applicant's communication filed 6-17-02. Claims 1 and 3 have been canceled and claim 4 has been added. Claims 2 and 4 are pending in this application.

The reply filed on 6-17-02 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

The Examiner mailed a restriction requirement to Applicant on 9-25-01, and in Applicant's response filed 3-6-02, Applicant elected Group I.

The last communication from the Examiner, mailed 5-8-02, was a request for an election of species. However, in Applicant's response filed 6-17-02, Applicant included a restriction requirement consisting of three groups, and Applicant elected one of the groups. The restriction consisting of three groups was not set forth by the Examiner. Therefore, the Examiner requests clarification regarding why Applicant has included that restriction requirement in their response.

It is requested that Applicant respond to this office action by electing a species which is exemplified in the specification and the examiner will carve out a generic concept inclusive of the elected species.

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
